

Carob - St John's Bread

Experience Collective Consciousness

- ☒ This essence develops a collective consciousness in a group of people which enhances group communication and interaction.
- ☒ People in a group telepathically join minds and to receive higher inspirations and to experience a single, clear and unified focus.
- ☒ Groups involved in any spiritual practice would especially enjoy this essence.
- ☒ It extends the etheric body directly into the mental body to improve their elasticity.
- ☒ This increases empathy in a group and between healers and their clients.
- ☒ If a group took carob they could more effectively send their healing energies to someone.
- ☒ Where group energy is occurring naturally and repeatedly, it will be enhanced by this essence.
- ☒ Carob helps people have empathy with their elders and even to assume some of their wisdom.
- ☒ In Lemuria it was used in this capacity.
- ☒ Test point is the medulla oblongata.
