

# Cleaver

## *Healthy Detachment – Releasing Drama, Embracing Fun*

- ☒ Works with the issue of emotional neediness – helping to release emotional control and possessiveness, bringing freedom from attachment.
- ☒ Helps children who throw tantrums using guilt-inducing behaviour designed to manipulate others. This pattern needs clearing at two levels. The parent has to unhook from guilt; the child has to release the parent of supposed emotional duties and move on to new experiences.
- ☒ This essence is also useful for adults when we put our own needs first, pulling others around us off-centre in a co-dependent struggle.
- ☒ As we take this essence it releases tension and any need to manipulate; renewing interest in what the world may have to offer.
- ☒ Cleaver takes the focus off emotional drama and onto the possibility of wonder, growth and fun.
