

## **Datura – Angel's Trumpet**

*Letting Go into a Higher Reality*  
*Spiritual Rebirth*

- ☒ Datura opens all higher chakras above the crown, as well as the crown and brow, bringing greater clarity to dreams.
- ☒ This essence helps when you feel alienated or lonely. You may feel disillusioned or confused. You could feel out of control because something familiar has unexpectedly gone, such as a career or long-term relationship. Your values, ideals or goals or even who you really are, may be in question.
- ☒ It can help to expand your vision, so that you can see the bigger picture for your future, which makes it easier to let go of anything that no longer serves you.
- ☒ It's very helpful when something that gives meaning or structure to your life needs to be released. You may need to leave your job, home or partner – or you may be bereaved or made redundant.
- ☒ It can help to cut through illusion. It can show you where you may be looking at a situation through rose-tinted spectacles and where you may need to look at it through new eyes.
- ☒ If you're resisting change that needs to happen for your soul growth Datura essence can offer a safe space to let go and trust in what is to come. It may be physical death or a deeply transformative process at a soul level that allows you to be spiritually reborn with a new attitude to life.
- ☒ Datura helps you to feel more comfortable with the chaos and space of unknowing that occurs during change, so that you have the faith and courage to handle it, knowing that all is well.
- ☒ Useful Affirmation: *'I let go and accept that change is needed. I don't know what is to come but I trust that all is in divine order. I'm willing to see life and myself through new eyes.'*

**Please Note:** Individual essences are not available from Spirit of Transformation, as a bespoke blend is much more powerful. If this essence resonates for you, then order a spiritually guided attunement to receive your personal essence blend, mentioning in your email that you'd like this particular essence as part of your blend.
