

Datura – Angel's Trumpet

Letting Go into a Higher Reality
Spiritual Rebirth

- ☒ Opens all higher chakras above the crown, as well as crown and brow, bringing greater clarity to dreams.
- ☒ Datura is helpful when we feel alienated and lonely. We may feel disillusioned or confused. We could be disorientated because something familiar has suddenly gone, like a long-term relationship or career. Our ideals or dreams or even our identity may be in question.
- ☒ Datura facilitates seeing beyond our present reality to a more comprehensive, visionary state.
- ☒ When appropriate, it supports us in letting go of a known or familiar reality, such as a relationship or job, without feeling threatened.
- ☒ It can also show us what is reality and what is self-deception. It's an excellent essence when we need to reassess and perhaps change the form a relationship takes or the ideals on which it's based.
- ☒ When we resist our soul's need to change, Datura encourages it to surrender, either into physical death and spiritual rebirth or into a deep transformation.
