*Integration of Masculine and Feminine Energy*

- ☒ This is a particularly powerful essence made from a rare stone also known as the King Solomon stone; it's the national stone of Israel and is found in King Solomon's mines near the Red Sea.
- ☒ It is formed of a fusion of chrysocolla, turquoise, malachite, azurite, copper and cuprite.
- ☒ It is a vibrant blue-green and works to help clear the energy of the thymus and balances the heart.
- ☒ This stone is sometimes known as "the Sage" as it helps us access our higher wisdom.
- ☒ It manifests inspired action and helps us find solutions to issues from a higher consciousness.
- ☒ It is an excellent environmental cleanser as well as cleansing our own energy field of the effects of trauma.
- ☒ It carries powerful healing issues of abuse and repression, particularly for women.
- ☒ It boosts self-esteem and enhances intuition, as well as the ability to assert oneself.
- ☒ It lightens and uplifts our spirits if we are low helping us feel more optimistic.
- ☒ It aligns all subtle bodies, helping other essences to work. It works with all miasms.
- ☒ Eilat stone helps us to accept the consequences of our karmic patterns.
- ☒ It restores the balance of yin and yang, so masculine and feminine traits are given equal expression.
- ☒ It harmonises thought patterns between couples.
- ☒ Above all the Eilat stone brings the energy of peace.
