

# Gladiolus

## *Love, Patience and the Value of Co-Operative Relationships*

- This works primarily in the crown chakra.
- It helps us to become stabilised in spiritual intent, when drawn back into ego dimensions.
- Teaches us the power of negotiation, teamwork, supportive and positive relationships in families, extended families and in the community at large.
- The gentle spirit of Gladiolus brings love and patience.
- Gladiolus activates the kundalini and fires the soul, raising the vibration of the body simultaneously.
- It clears mass consciousness, facilitates transition and enables ascension.
