

## Judas Tree – Red Bud

*Release of guilt and remorse – Respect for self and others  
Facilitation of Channelling*

- ☒ According to legend, this is the tree on which Judas hanged himself after betraying Jesus, after which the white flowers turned red with his blood and shame.
- ☒ The essence releases denial and suppression of guilt at duality, original or spiritual guilt.
- ☒ It helps to release feelings of being betrayed or 'stabbed in the back'.
- ☒ It also helps if we have a tendency to betray others.
- ☒ It helps us forgive ourselves and others.
- ☒ It encourages us to let go of old grudges and resentments, particularly against those who raised us and to take responsibility for ourselves.
- ☒ It releases remorse and depression.
- ☒ It's a great essence for channelling.
- ☒ It gives access to completely new thought patterns and ideas.
- ☒ It brings openness and acceptance of very subtle levels of energy and the ability to communicate it to others.
- ☒ It enables us to discriminate and discern the validity of given information.
- ☒ Useful Affirmation: *'As I honour and respect who I am, then so do others'*
