

# Labradorite -The Merlin Stone

## *Step into the Mystery*

Pictured here is a large piece of Labradorite I keep in my consulting room - you'll see why as you read on! With its deep blues and greens like a peacock's wing this is a stone of transformation both mystical and protective, making it a useful companion through change.

### **Opening and Protecting your Third Eye**

Its effects are felt in the Third Eye or Brow Chakra, as it stimulates spiritual desire, insight and intuition, raising our level of consciousness and connecting us to universal energies.

### **Other effects of Labradorite are:**

- ☒ It protects our energy field and helps strengthen healthy boundaries
- ☒ It helps dispel negative energies which may be released during emotional clearing
- ☒ It cleanses our auric field of other people's projections
- ☒ It supports experiences of other dimensions
- ☒ It anchors our spiritual connection in the physical body, increasing psychic gifts
- ☒ It releases buried memories
- ☒ It creates a stronger connection between the unconscious and conscious minds
- ☒ It helps us to go within and receive higher guidance
- ☒ It eases discouragement and brings courage to go forward with optimism
- ☒ It brings calm to an overbusy intellect and encourages inspiration and imagination
- ☒ It integrates intuition and intellect enabling greater clarity
- ☒ It helps us to see through illusion to what is really going on
