

Loquat

*For Fear of Engaging With Life
For Willingly Taking Responsibility*

- ☒ An excellent remedy for fear and anxiety when we're faced with the demands of life and seek to escape by avoiding participation in the life process and withdrawing - perhaps sleeping excessively, refraining from eating correctly, so that we're physically unable to meet the expectations of others, or retreating into emotional disorders, which protect us from everyday life.
- ☒ Apathy, resignation, or an inability to activate the will are indications for using this essence.
- ☒ Loquat essence assists in incarnating the forces of the personality, in taking hold of the life process and in willingly undertaking responsibility.
- ☒ It is very beneficial for adolescents, as well as for the emotions which lie behind anorexia.
