

Magnolia

Surrender with Courage

I've always loved Magnolia. Long before understanding the power of essences I'd stand under these trees wondering who could have designed something so beautiful. As Easter arrives they blossom for our enjoyment. Magnolia essence:

- ☑ inspires unconditional love and compassion, showing us what it means to be one with the divine
- ☑ asks us to surrender to love and our inner wisdom
- ☑ awakens our desire for authentic ways of living
- ☑ helps us accept that battles will result from the rearguard action of old beliefs, but reminds us that these battles are for our personal freedom
- ☑ gives us courage to meet the challenges of change
- ☑ eases restlessness and lack of clarity
- ☑ helps us maintain balance when difficult changes have to be made
- ☑ increases our sense of freedom and relaxation

Please Note: Individual essences are not available from Spirit of Transformation, as a bespoke blend is much more powerful. If this essence resonates for you, then order a spiritually guided attunement to receive your personal essence blend, mentioning in your email that you'd like this particular essence as part of your blend.
