

Pink Fuschia

Releasing Karmic Grief and Deep Past Hurt Opening To Unconditional Love and Self-Nurture

- ☒ This essence is helpful when we are easily moved to tears or anger but are not in touch with the original source of the emotion such as grief or fear, whether karmic or from this life. We may also have a lot of physical symptoms as our body tries to express what we are suppressing and bring our attention to it.
- ☒ Fuschia brings suppressed emotions into our awareness, feelings that we've felt unable to cope with in the past, but which need release to enable us to be authentic in our emotional responses.
- ☒ It works in the heart chakra, helping us integrate grief, loss, rejection and abandonment.
- ☒ It clarifies our soul purpose and encourages us to care for and nourish ourselves.
- ☒ It cleanses the heart chakra to allow a greater flow of unconditional love for ourselves and others.
- ☒ Useful Affirmation: *'I allow my heart to open. I trust it to express my feelings deeply and truthfully without limitations. I release past hurt, allowing love to heal and flow through me.'*
