Releasing Patterns of Withdrawal and Defence Increases Spiritual Connection, Openness and Memory

- ☒ This is an excellent remedy when we feel proud and have a pattern of withdrawal.
- ☒ It also treats feelings of arrogance, anxiety, fear, hysteria, shock, deep disappointment or prolonged excitement and can uplift our mood if we're feeling low.
- ☒ This remedy is useful for patterns of needing to appear as if we're coping better than most and have difficulty in being vulnerable.
- ☒ It helps us have better recall, particularly where memory loss is due to shock or anxiety.
- ☒ It is unusual, in that it opens the five chakras above the crown. There may be a noticeable improvement in understanding clairvoyant experiences.
- ☒ Platinum is able to become slightly magnetised. It has beneficial effects similar to magnetic healing.
- ☒ It's a particularly helpful essence for women. It's useful for an unbalanced interest in sexuality.
- ☒ It can help with irritability.
