Agapanthus *Releasing Lack - Receiving Abundance*

- Brings the courage and strength to manifest your higher potential.
- For alleviating poverty consciousness.
- For an over-identification with possessions and the material dimension.
- For those who have money issues in their lives, hoarding what they have, feeling that there is never enough.
- For the feeling that wealth makes us special and better than others.
- It is also for those who fear being deprived of physical resources.
- This essence allows abundance consciousness, an inner knowing that money is energy, that there is no limitation imposed from outside ourselves, that we can have it all if we will open to receive it.
