## *Vibrational Evolution and Trust in Abundance Positivity Towards Financial Wellbeing*

- ☒ This essence works on increasing the energy flow through the third eye and crown chakras.
- ☒ It can open you to receive higher vibrational frequencies so that you are more spiritually nourished, your understandings become more evolved and your physical vibration is enhanced.
- ☒ It can enable you to accept a new level of prosperity and prompt you to act in ways which draw to you more support and financial abundance.
- ☒ It can help to refocus our attitude to money, transforming thoughts such as *'I'd love this but I can't afford it'* or *'This is too expensive'* or *'I'm broke'* to thoughts like: *'I love this and I trust the money will arrive if it's for my highest good'* or *'I'm willing to receive the funds to cover this, in whatever way they choose to arrive'* or *'I'm open to prompts to act in ways that will allow this to flow to me'*
- ☒ Useful Affirmation: *'I love meeting the creative challenge on how to obtain what I need, with the support of an abundant universe. In doing so I grow, learn and evolve.'*
