

## Cheiranthus

*For loneliness, fear of lack and co-dependency  
For connecting to the source of love, wholeness and abundance*

- ☒ A wonderful essence when our relationships are driven by fear of lack, fear of love being withheld or denied, fear of being rejected.
- ☒ Such fears lead to loneliness, neediness and co-dependent behaviour
- ☒ It's helpful for money worries, if we're unable to trust in abundance whether financial or emotional
- ☒ This essence eases fears which block the flow of giving and receiving.
- ☒ It helps us to remember our spiritual identity and our spiritual connection with every living thing; to remember that we are the source of our own limitless loving abundance and if we cannot manifest it, it is only because we are resisting it, by resisting our spiritual connection.
- ☒ It brings awareness that we are complete and that love is always there for us to draw upon.
- ☒ Useful Affirmation: *'I release all fear of lack or rejection and connect to my spirit which opens me to an abundant source of love and financial flow'.*
