

Copper Shouldered Sedge

Reconnecting with Ancestral Love and Support

- ❑ This essence helps us become more attuned to our genetic/biological heritage.
- ❑ It supports the process of bringing forth the best that has been passed down through the generations and has been found to stimulate genetic talents and gifts that we had been previously unaware of.
- ❑ For those who do not have a strong sense of their roots, this essence can help us feel more connected with our ancestors, feeling their loving presence and support in our life.
- ❑ Useful Affirmation: *'I lean into the support of my ancestors, feeling their blessing and strength'*

Please Note: Individual essences are not available from Spirit of Transformation, as a bespoke blend is much more powerful. If this essence resonates for you, then order a spiritually guided attunement to receive your personal essence blend, mentioning in your email that you'd like this particular essence as part of your blend.
