Widening Our Horizons - Celebrating Our Success

- ☒ This beautiful blue flower creates feelings of freedom and expansion, uplifting our spirits.
- ☒ It attracts recognition of our gifts and helps us to appreciate our talents
- ☒ It supports us as we take the next step on our creative path, releasing resistance and increasing our respect for what we have achieved.
- ☒ It increases our need to be authentic and to express our uniqueness
- ☒ Works in the throat chakra
- ☒ Delphinium essence increases our sense of healthy personal power and opens our mind
- ☒ This essence widens our perspective so that we see a bigger picture, even when that is uncomfortable for our ego. This is particularly important when we are in a role of advising others.
- ☒ Delphinium imbues us with courage to explore the unknown shadow side of our personality which we might normally be afraid to explore. This quest will bear wonderful fruit if we persevere through the discomfort. Our scariest demons often hide our greatest gifts.
