Kundalini Activation and Ascension Love, Patience and Co-Operation

- ☒ This essence works mainly in the crown chakra helping you to interface between seen and unseen dimensions.
- ☒ When you're being influenced by your ego it helps you to realign with your pure spiritual intent.
- ☒ It helps you understand the importance of compromise and teamwork, as well as mutual support between family members and the wider community.
- ☒ It encourages the qualities of love, patience and detachment, helping you to see the bigger picture.
- ☒ It activates your kundalini energy, igniting the power of the soul and raising your frequency at all levels, initiating change and deep transformation.
- ☒ It clears energy that is being held by large numbers of people, so it's helpful, for example, if you're picking up on global financial fear or fears of planetary catastrophe.
- ☒ It helps you move between different dimensions and energy frequencies and supports ascension.
- ☒ Useful Affirmation: *'I release emotional triggers and calmly survey the situation from a spiritual perspective. I act from my highest intentions, constantly refining my vibration'*
