Unconditional Giving
Releasing Guilt and Fear – Allowing Abundance

- Helps us be able to give generously and freely without expecting that the other person can now be expected to give back to us in some way.
- Giving from a sense of truly wanting to give rather than feeling we must give because of guilt or fear.
- This essence is also wonderful for those who have come into this lifetime to teach others how to receive and grow in prosperity and abundance in their own lives.
- For those who are committed to moving through their prosperity issues in this lifetime this essence can be of great support.
- Useful Affirmation when taking this essence: *I share as I am guided to do so with great joy!*
