

Joshua Tree

Releasing Ancestral Karma

Finding Our Unique Soul Path

- ☒ This opens the crown chakra (even the sinuses), connecting us to a new consciousness of the Self.
- ☒ It helps us feel centred, allowing us to become more complete and more self-directed.
- ☒ Joshua Tree facilitates the unfolding of our own wisdom and identity, allowing us to identify our own centre within influences such as family, community or other externally derived identities.
- ☒ The soul discovery of an inner, unique individuality gives the strength to face adverse conditions that may have felt insoluble before. Even daily details of life are able to be savoured, and approached with a fresh simplicity.
- ☒ Individuation of soul forces through conscious transformation of family patterns and related cultural conditioning brings an enhanced freedom and compassionate insight for family and culture of origin.
- ☒ Joshua Tree helps with generational karma which limits the soul's potential. It helps where there is an inability to break free from family or cultural patterns of dysfunction, such as persistent negativity and self-sabotage. It also helps if there is loss of individual identity and freedom due to lack of insight regarding familial and cultural influences.
- ☒ It is wonderful essence for helping let go of old ways of being whilst feeling at ease with it.
- ☒ Useful Affirmation: *'I joyfully and serenely release my old way of being for I know only good awaits'*
