Letting Go of Past Limitation – Kundalini Activation Fresh, Rapid Growth – Blossoming Potential

- ☒ Lilac is the perfect essence if we have limited our growth so that our potential remains largely untapped. This may be reflected by an undeveloped physical appearance or symptoms of restriction and suppression.
- ☒ We may have experienced a controlling adult in our life as a child, such as a parent, sibling or teacher. We may then have attracted an equally controlling partner as an adult. This serves to keep the pattern in place whereby we don't feel free to express ourselves honestly and spontaneously.
- ☒ This essence releases this pattern of suppressing energy, freeing it up to allow a burst of new growth and self-expression.
- ☒ We benefit most from Lilac essence when we find it hard to accept our own value and our limitless potential. It boosts our confidence and self-esteem.
- ☒ This is a very helpful essence when we have such deep victim patterns that it's hard to leave the safe, familiar world of powerlessness and step into a new reality of freedom and personal choice.
- ☒ Lilac opens us to Christ consciousness and unconditional love which supports us on our journey towards personal freedom. It connects our spirituality and intellect allowing for higher inspiration.
- ☒ It's a wonderful essence when we're harking back to the past. It helps us integrate happy memories and move forward, knowing that happiness awaits us in the future too.
- ☒ It clears old energies that no longer serve us. It helps us see when something has served its purpose and it's time to let go, to allow for new beginnings.
- ☒ Lilac has a very strong connection to nature spirits and the fairy realms.
- ☒ It opens all chakras and activates the flow of kundalini energy
- ☒ Useful Affirmation: *'I open to embrace and express all that I can be. I step into freedom.'*
