

# Money Tree

## *Releasing Money Fears*

### *Restoring a Positive Relationship with Money*

- ☒ This is a water loving plant and as such it is helpful in getting to the root of financial difficulties that are emotionally related such as feelings of guilt of having more because it may take from others (it doesn't, the Universe always has more than enough for anyone who is willing to accept it!) or fears that you won't be able to handle a larger inflow.
  
- ☒ It is also extremely helpful when we feel overwhelmed when it comes to sorting out our finances or working through our money issues and so we don't ever manage to start the process.
  
- ☒ Affirmation: *'My emotional relationship with money is very positive'*
