

Osteospermum/African Daisy

Radiant Illumination

Open to Receive Love and Light

- ☒ This essence works mainly in the crown and heart chakras, helping us to open up to light and spiritual illumination.
- ☒ As we become more radiant we're able to see the light in others and to open up and trust in that deep soul connection
- ☒ This is a helpful essence when we feel in the dark, without hope or any idea how to go forward. For when light appears to have gone out of our life.
- ☒ It reminds us that the source of all life is love and it gives us the courage to open up to it fully so that we can receive it abundance
- ☒ It protects us from negativity and helps us adopt an appreciative and positive attitude to life
- ☒ Useful Affirmation: *'I choose to open up fully to love and light, trusting in the innate goodness of the universe to steer me in positive directions'*

Please Note: Individual essences are not available from Spirit of Transformation, as a bespoke blend is much more powerful. If this essence resonates for you, then order a spiritually guided attunement to receive your personal essence blend, mentioning in your email that you'd like this particular essence as part of your attunement.
