Empowerment and Abundance

Allowing a Powerful Flow of Giving and Receiving

- ☒ This essence supports the healthy, effective use of power. It releases negative patterns of giving and receiving so you become more present; aware of your surroundings and potential power.
- ☒ It helps release karmic patterns where you've felt unworthy and undeserving of receiving love and abundance. You may be happy to give to others but may feel in debt if you accept from them.
- ☒ This essence helps when you don't feel able to manifest a prosperous life in which love, money and all forms of energy flow freely and abundantly. It boosts self-worth and self-motivation.
- ☒ It's indicated when you feel an empty void, when it seems that love and abundance is nowhere to be found. It can give you the courage to reach out and enjoy the fruits of your life.
- ☒ It helps you connect to the highest possible guidance to bring practical solutions to problems.
- ☒ It's an excellent essence to use when starting a business or implementing a new project where you need to attract a fresh injection of finance.
- ☒ If you struggle to allow work that you love to support you financially and feel that others won't value your creativity or soul work then this is the essence for you.
- ☒ It's useful when your cashflow appears to have stopped and you can't see how it will start again.
- ☒ It brings faith and the awareness that money flows in and out of our lives in a natural cycle and if we keep following our inner guidance it will all unfold in divine order.
- ☒ Physically it works mainly to clear the lower chakras in a strong cleansing action.
- ☒ Useful Affirmation: *'I release the past and create a rich present which attracts a constant flow of love and money. I use my abundant power wisely, according to my highest guidance.'*
