Releasing Fear of Rejection
Allowing Emotional Contact

- ☒ For when we avoid intimate relationships and friendships for fear that, were others to know us, they would discover the terrible truth.
- ☒ Our fear of rejection, based on past life or childhood trauma, is so intense that we hide our feelings and needs behind a front of self-sufficiency and never allow anyone close to us.
- ☒ For when we suffer from a profound sense of shame and a terror of vulnerability.
- ☒ This essence gives us the courage to risk emotional contact, to allow others in, to heal and to rejoin the human family.
