

Serpentine

*Awakens Spiritual Energy, Vision and Angelic Connection
Releases the Past with Forgiveness – For Setting New Goals*

- ☒ This crystal essence strengthens spiritual inclinations and enhances psychic gifts.
- ☒ It eases anxiety, especially when you're contemplating a bigger vision for your life.
- ☒ It's a very flexible essence, unfolding through the energy body until it finds blocks which require clearing. Then it works gently to return the blocked area to the frequency of its original blueprint.
- ☒ It assists the unfolding of spiritual energy (kundalini) from the root chakra up through the higher chakras, clearing and detoxing as it moves upwards and out through the crown.
- ☒ It can help you to access past lives and ancient wisdom.
- ☒ It can help you to access angelic realms and it encourages you to explore other dimensions.
- ☒ It helps you to connect more deeply with nature and the nature devas.
- ☒ It can facilitate situations in which you need to resolve issues with someone from your past.
- ☒ It encourages compassion and forgiveness that allows you to let go of past baggage.
- ☒ It can deepen meditation and help you focus and vision.
- ☒ It balances feminine aspects of the personality.
- ☒ It helps you to stay positive and centred during times of change.
- ☒ It promotes self determination, so that you can set yourself goals and find the patience and perseverance to act and achieve them.
- ☒ It particularly works with the throat and heart chakras.
- ☒ Useful Affirmation: *'I forgive and release the past. I deepen my spiritual explorations and stay positive and centred as I move through change, awakening more and more ancient inner wisdom'.*
