

Squash / Marrow

*Stabilising, Balancing and Potentising
Fertility, Sexuality and Divine Connection*

- ☒ In Lemurian times Squash was used to embody the qualities of male and female energy. The essence supports us in choosing a balance of these energies and integrating them with the divine, so that we have sense of a complete interconnectedness with spirit.
- ☒ The conflict that can exist within us due to our masculine and feminine energies being out of harmony is often felt as irritation or rage. Squash helps to restore harmony and sensitivity particularly when we are able to take a moment to be still and go within.
- ☒ Squash works in the sacral chakra and can inspire us to overcome blocks to creativity, whether due to personal karma or social conditioning. This is particularly true for women.
- ☒ It can help us clarify our sexual preferences, supporting us in reaching a sense of oneness.
- ☒ It increases access to our emotions and our physical sensations; this is especially true for men.
- ☒ It aligns the chakras above the crown with the heart and solar plexus chakras – this is especially true if taken by a woman who is dedicated to following a journey of spiritual growth.
- ☒ This essence has a strong association with fertility, pregnancy and birth.
- ☒ Squash essence can help stabilise moods and is very grounding.
- ☒ The base and sacral chakra are stimulated with this essence, helping the rise of kundalini energy.
- ☒ Useful Affirmation: *'I celebrate the harmonious union of my masculine and feminine energies with the divine. I feel calm, balanced and deeply aware of my feelings and the sensations in my physical body.'*
