

## Star Tulip – Pussy's Ears

### *Listening Within – Contacting Guides – Easing Transition Starting Projects Long Dreamed Of*

- ☒ This essence stimulates the brow chakra.
- ☒ It can allow for greater contact with spirit guides and more vivid dreams, so it's helpful when we feel disconnected from our spiritual essence or when we want to strengthen that connection.
- ☒ It enables us to listen effectively, especially to our inner guidance, so it's very helpful if we have difficulty meditating or tuning into our inner world.
- ☒ Star Tulip is the perfect essence when you wish to focus on your spiritual purpose and path in life; when you're ready to listen to your higher guidance and to heighten your awareness of it.
- ☒ This essence acts as a gateway between your inner and outer worlds and can offer support during explorations of other dimensions, when you may otherwise feel alone.
- ☒ It's excellent if you need to birth a project that may take you down an unconventional route.
- ☒ It can give you the impetus to get going with original and creative ideas that you may have been mulling over for a long time but have not had the courage to act upon or share.
- ☒ It can help to bring you more present if you have a habit of 'zoning out' when difficult emotions are triggered.
- ☒ It can also help you to ground properly into your body after out of body or near death experiences.
- ☒ It can ease the transition between life and death for both human beings and animals, helping the soul to decide if it's time to leave and thus shorten unnecessary suffering.
- ☒ It helps men and women connect to and express their softer, sensitive feminine qualities.
- ☒ Useful Affirmation: *'I travel within, listening and observing, open to signs and guidance'*
