Eat well and live well *everyday*

The NEW Nikken Everyday Organic-Based Weight Management is based on three basic assertions for a healthy lifestyle: Cleanse, Balance and Energise. It's simple and convenient.

The latest new products in the Nikken range are all crucial components in the new Everyday Organic-Based Weight Management Pack, along with Kenzen Ten4® Matcha Green Tea Drink.

Kenzen® Cleanse^{dx} is a gluten-free, 100% organic nutritional supplement, which may contribute to the support or maintenance of normal liver function and digestion. Featuring organic Roasted Chicory Root, Milk Thistle extract, Turmeric extract, Bupleurum extract, Shisandra and Ashwaghanda. Each of these organic ingredients serves multiple purposes on its own, but together, work in synergy. Simply take three capsules every day 20 minutes before a meal.

Kenzen® Cleanse^{dx} 90 Capsules - (#16008) – Price: £42 .00

KVB® Natural Food Mix in Vanilla or Chocolate flavour are formulated with naturally-sourced protein from organic pea, organic rice and organic chlorella. Whether you're vegan, vegetarian or just health-conscious, KVB® helps you put plant protein into your diet, and its only 133 calories per serving.

To create a nourishing breakfast, snack or lunch, use KVB® Natural Food Mix as a base and add PiMag® water, non-fat milk, almond milk or coconut milk. For a delicious variation add your choice of fruit or vegetables and then blend until smooth.

KVB® Vanilla Shake 846g / 30 servings (#16010) - Price: £67.50
KVB® Chocolate Shake 846g / 30 servings (#16011) - Price: £67.50

Kenzen Ten4® Matcha Green Tea Drink contains 80 mg per serving of natural caffeine from organic matcha green tea. The natural caffeine in organic matcha green tea binds to the naturally occurring phytonutrients to slow down the absorption of the stimulant, giving it a slow release effect. Kenzen Ten4® Matcha Green Tea Drink is a great way to help energise and hydrate you.
